

Chief Strategy & Privacy Officer
Oshawa Clinic Group

The Oshawa Clinic Group is the largest multi-specialty private medical group practice in Canada. We are seeking an exceptional Chief Strategy & Privacy Officer.

The Chief Strategy & Privacy Officer is a senior leadership role responsible for driving strategic initiatives, achieving key business objectives, and improving organizational performance. The successful candidate will have a strong background in healthcare operations, privacy, and finance; and a proven track record of leading teams to success.

Key Responsibilities:

- Collaborate with the CEO and other senior leaders to develop and execute the overall strategic direction of the organization
- Develop and implement operational strategies to improve efficiency and effectiveness across all departments
- Oversee and be responsible for privacy within the organization as well as ensuring compliance within each department
- Facilitate compliance with the health privacy laws: PIPEDA & PHIPA
- Oversee the design, implementation, monitoring, and reporting of the privacy compliance program and control measures to comply with legislation and best practice
- Develop and implement Key Performance Indicators (KPIs) and trend analysis to measure performance and identify areas for improvements for the organization and departments
- Track and react to changes in KPIs proactively and in collaboration with the CEO, Executive Committee and management team
- Identify and implement process improvements to enhance patient care and satisfaction
- Represent the organization in meetings with external partners and stakeholders
- Oversee and manage various projects, ensuring they are completed on time, within budget, and to the required quality standards

Qualifications:

- Experience in healthcare operations with at least 5 years in a senior leadership role
- Bachelor's degree in healthcare administration, project management, business administration, or related field
- Strong understanding of healthcare operations and trends, as well as finance and project management
- Proven track record of leading teams to success and achieving measurable results
- Excellent leadership, communication, organization, and interpersonal skills
- Strong analytical and problem-solving abilities
- Strong financial acumen and resource management
